

Notice of COVID-19 Precautions

In accordance with the recommendations from The Alberta College of Speech-Language Pathologists and Audiologists (ACSLPA), the following precautions will be utilized to minimize the risk of exposure to and/or transmission of COVID-19 during intervention sessions:

1. Please review the questions outlined in the "COVID-19 Alberta Health Daily Checklist" prior to each therapy session. If you answer YES to any of the questions for any person in your household, please contact Shannon Kushniruk by telephone (403-990-2156) or email (shannon.readysetspeak@gmail.com) to cancel the session.
2. All adults present for the session (SLP and parent) will wear a mask and/or maintain 2 meters distance for the duration of the session.
3. Please limit those present during the session to the child receiving speech-language services and one parent.
4. Hand hygiene and cleaning of materials used during the session will be utilized.

Thank you for your help and support in keeping our community healthy and protected! 😊
